China in your hand

Come from greed

Never born of the seed

Took life from a barren hand

Oh eyes wide

Like a child in the form of a man

A story told

A mind of his own

An omen for our time

(Chorus)

Don't push too far

Your dreams are china in your hand

Don't wish too hard

Because they may come true

And you can't help them

You don't know what you might

Have set upon yourself

China in your hand

(Verse)

On your hand

Your dreams are china in your hand

Wowow

Here in your hand

China in your hand

Whohohoh

Here in your hand

Break, Sax solo (Chorus cords)

(Chorus)

You take a flight on the wings of fantasy

You push too hard

And make your dreams reality

Yeah! For the china in your hand

But you shouldn't push too far

Fade out
