(Verse)
You let me love you
You did not seem to care
So I m here with someone new
Why do you stare

Our love is dead: you leave it be
And don't you come to me

Cause you know

Don't come for me

(Chorus)

Thank you for goodbye
Thank you for goodbye
Thank you for goodbye
Thank you for goodbye

Thanksgiving you never did for me
And setting free from my misery
? I never stand that I'd take away
Yeah

Sax Solo (Hm Em A G | Hm Em A G | G Am D)

(Chorus)

G **D** **C** **D**
Thank you for goodbye
Thank you for goodbye
Thank you for goodbye
Thank you for goodbye

Thanksgiving you never did for me
And setting free from my misery
? I never stand that I'd take away

intro

Additional lyrics on the sleeve, where do these go ?

So I really don't matter
I'm just a rung on your ladder
To climb over on your way to town
I'll kick you on your way back down
You treat me like some kind of child
And you know it makes me wild
Time was you made me sad
Now when I see you I just get mad
