by T Pau

E A/E H A H *2

E H A
Another ?winto of your discontent
E H A
I know how you scream and shout
when nothing you see makes senses
Invaluable excuses
drop like pearls in your self defence
You never do nothing about nothing, no
Where s all you confidence

E H
Why can t you reach for a closer dream

E
The reason you fail

A
Is you go to extremes

E
You don t have to lie

H
You gotta try

A
If you fall, you can call
But you don t have to crawl

E
You give up

H
Hah, baby when it gets too rough

A
You ain t got what it takes

H
No you ain t just enough

E

You give up

H

You re lazy when it starts to rock

A

H

And when you see a way out, you go

A E

oh yeah

Another day goes by,

another tale to tell

How you nearly made it oh so far,

yeah you nearly did really well

Now why can t you reach for a closer dream

The people who care they don t mind where you ve been

You don t have to lie

You gotta try

If you fall, you can fall

But you don t have to crawl

You give up

Hah, baby when it gets too rough

You ain t got what it takes

No you ain t just enough

You give up

You re lazy when it starts to rock

And when you see a way out, you go

Guitar Solo

Well, it s another cold and lonely day

You got another tall tale to tell

How you nearly made it oh so far,

yeah you nearly did really well

But I know,

You give up

Hah, baby when it gets too rough

You ain t got what it takes

No you ain t just enough

You give up

You re lazy when it starts to rock

And when you see a way out, you go

Oh yeah

Synth Solo

Guitar Solo

Oh oh oh oh yeah
