A Bad Way Of Saying Goodbye

-From the Dreaming Out Loud album

Intro - **D A D D**

You [D] left without [G] saying I [D] love you
And that makes three [A] days in a [D] row
Now that you re [G] tired of pre[D]tending
It s time that [A] I let you [D] know
I [A] don t disagree with your [G] feelings
We [D] both need to find a new [A] life
But [D] this ain t the [G] way we should [D] end it
It s a bad way of [A] saying good[D]bye

CHORUS:

There [G] must be a better way of [D] saying it s over
Where [G] nobody walks away with [D] tears in their [A] eyes
When you [D] stay til regret is [G] all you have left
That s a [D] bad way of [A] saying good[D]bye

[D] [A] [D] [D]

When [D] I think of [G] you I ll re[D]member
How you looked at [A] me when we [D] met
But the way that you re [G] lookin at [D] me now
I ll do my [A] best to for[D]get
[A] It s not your fault but it s [G] not mine
We [D] both made mistakes though we [A] tried
So [D] leaving without [G] saying [D] I m sorry
Is a [D] bad way of [A] saying good[D]bye

REPEAT CHORUS

That s a [D] bad way of [A] saying [G] goodbye [D]
