I Wish It Was You

(Capo on 1)

Intro.: | (A) | (G) | (A) | (G) |

(F) A car goes by and I see your (C)face
A strangers face in the (G>window and I wish it was you
(F) I m in a room, it s a crowded (C)room
A friend walks up to (G)say hello and I wish it was you
(F) Cause every memory that (C)haunts my mind (F) is just another reason (G)why

(I wish it was you) (A) A phone ring in the middle of the (G)night
A doorbell in the broad day-(D/G)light, a letter in the mail that I (D)come home
to
(I wish it was you) (A) When I see two people on the (Em)street
Touchin like they don t care who (D)sees, laughin the way we used to (Bm)do
I wish it was (A) you, and I wish it was (G)you
I wish it was (A) you, and I wish it was (G)you

(F) I ll meet someone who could be the (C)one
But soemthin always (G)happens before the night is through
(F)There s that certain look and that certain (C)smile
There s that old familiar (G)pattern, and I wish it was you
(F) Tellin me that you ll be (C)back someday
(F) And I don t have to feel this (G)way

(I wish it was you) (A) A phone ring in the middle of the (G)night
A doorbell in the broad day-(D/G)light, a letter in the mail that I (D)come home
to
(I wish it was you) (A) When I see two people on the (Em)street
Touchin like they don t care who (D)sees, laughin the way we used to (Bm)do
I wish it was (A) me, and I wish it was (G)you
I wish it was (A) me, and I wish it was (G)you
