Trace Adkins - Then they do
 ----(capo 1st fret)----
Intro - Asus - A = 2x s
   Asus
                                 Asus
In early rush of morning, trying to get the kids to school,
One s hanging on my shirt tails, another one s locked up in her room,
           E
                             Esus
                                      E
                                                               A - E
I m yelling up the stairs stop worrying about your hair You look fine,
              Asus
                                           Asus
Then they re fighting in the back seat and I m playing referee,
Now someone s gotta go, the moment that we leave,
               E Esus
                                                      A - D - E
And Everybody s late, I swear I can t wait, til they grow up,
(chorus)
                                 F#m A
         Asus-A
Then they do - oo and that s how it is-is,
          \mathbf{E}
It s just quiet in the morning,
Can t believe how much you miss,
                 F#m A
       Asus-A
All they do - oo and all they did-id,
                       E
         Esus
                                        D - E
You want all the dreams they dream to come true,
         Asus-A - Asus-A
Then they do - oo,
(verse 2)
                                             Asus
         Asus
Now the youngest is starting college she ll be leaving in the fall,
And Breanna s latest boyfriend called to asked if we could talk,
             E
                       Esus
```

I got the impression he s about to pop the question any day,

Asus A Asus I look over at their pictures Sitting in their frames, D I see them as babies I guess that ll never change, Esus E A - D - EYou pray all their lives some day they will find happiness, (chorus) F#m A Asus-A Then they do - oo and that s how it is-is, It s just quiet in the morning, Can t believe how much you miss, F#m A Asus-A All they do - oo and all they did-id, Esus E D - E You want all the dreams they dream to come true, Asus-A - Asus-A Then they do - oo, (bridge) D E No more Monday P.T.A s , no car pools or soccer games, E D E Your work is done, now you got time that s all your own, F#m You we been waiting for so long for those days to come, (chorus) Asus-A F#m A Then they do - oo and that s how it is-is, E It s just quiet in the morning, D Can t believe how much you miss, F#m A Asus-A All they do - oo and all they did-id, Esus You want all the dreams they dream to come true, Asus-A - Asus-A Then they do - oo,
