[Verse]

Db
These times made me see that sometimes it s better
Db
To allow yourself to fall and recognize the pain
Db
A fucking PhD in Failing - that s how you
Db
Know to not take that route again
Db
When you get up you will have it planned out
Db
Take a step back, kick the door in, then just go
Db
Natural selection as its best - who can take a hit
Db
And then throw a k.o. blow
Db
If I had not been there - I would ve never
Db
Had the guts to become another man
Db
A machine that never stops

[Chorus]

F5 G5 Ab5 C5 Ab5 G5 Eb5 Ab5 G5 C5 G5 Ab5
Let go the fears you thought were true -
Db
Some you are not meant to treat as rules
F5 G5 Ab5 C5 Ab5 G5 Eb5 Ab5 G5 C5 G5 Ab5
Take out the fire that s been
Db
Burning those dreams down
F5 G5 Ab5 C5 Ab5 G5 Eb5 Ab5 G5 C5 G5 Ab5
If you help me get back on my feet -
Db
I will be your eyes, I will find the course
F5 G5 Ab5 C5 Ab5 G5 Eb5 Ab5 G5 C5 G5 Ab5
I will show new world with

Db

All broken ties rebound

[Verse]

Db

Just let me fail for once, and you will never have to

Db

Bleeding and screaming, when will you understand

Db

Refuse to change and you ll miss out a lot -

Db

We ll be here partying in the horizon s end

Db

And guess what? You wouldn t be invited

Db

Because some things are just too miserably clear -

Db

And you know, we don t want it here

Db

So get this, just in case you ll ever be for real

Db

If I had not been there - I would ve never

Db

Had the guts to become another man

Db

A machine that needs no steer

[Chorus]

F5 G5 Ab5 C5 Ab5 G5 Eb5 Ab5 G5 C5 G5 Ab5

Let go the fears you thought were true -

Db

Some you are not meant to treat as rules

F5 G5 Ab5 C5 Ab5 G5 Eb5 Ab5 G5 C5 G5 Ab5

Take out the fire that s been

Db

Burning those dreams down

F5 G5 Ab5 C5 Ab5 G5 Eb5 Ab5 G5 C5 G5 Ab5

If you help me get back on my feet -

Db

I will be your eyes, I will find the course

F5 G5 Ab5 C5 Ab5 G5 Eb5 Ab5 G5 C5 G5 Ab5

I will show new world with

Db

All broken ties rebound

[Outro]

Let go the fears you thought were true -

Some you are not meant to treat as rules

Take out the fire that s been

Burning those dreams down

If you help me get back on my feet -

I will be your eyes, I will find the course

I will show new world with

All broken ties rebound
