

Drinkin Bone
Tracy Byrd

Tracy Byrd - Drinkin bone

Capo on 3rd fret

Intro

C F C G

C

It s Friday evening six o clock,

F

And all my friends are twisting off,

C

G

I m at the house just turnin on t.v.

C

Well they all wonder why I ve changed,

F

How many times must I explain,

C

G

C

It s basic honky tonk anatomy,

C

F

The drinkin bone s connected to the party bone,

C

G

The party bone s connected to the stayin out all night long,

C

F

She won t think it s funny and I ll wind up all alone,

C

G

C

And the lonely bone s connected to the drinkin bone,

C

Hey two plus two is always four,

F

And down is south and up is north,

C

G

Thirty-two degrees is freezin cold,

C

You play with fire you wind up burned,

F

The early bird gets the worm,

C

G

C

But the only thing you really need to know is,

C **F**
 The drinkin bone s connected to the party bone,
C **G**
 The party bone s connected to the stayin out all night long,
C **F**
 She won t think it s funny and I ll wind up all alone,
C **G** **C**
 And the lonely bone s connected to the drinkin bone,

lead chords

C F C G C F

C **G** **C**
 yea now sing it with me let s make sure you know,

C **F**
 The drinkin bone s connected to the party bone,
C **G**
 The party bone s connected to the stayin out all night long,
C **F**
 She won t think it s funny and I ll wind up all alone,
C **G**
 And the lonely bone s connected to the,

C **F**
 The drinkin bone s connected to the party bone,
