

Drinkin Bone
Tracy Byrd

Tracy Byrd - Drinkin bone

Capo on 3rd fret

Intro

E A E B

E

It s Friday evening six o clock,

A

And all my friends are twisting off,

E

B

I m at the house just turnin on t.v.

E

Well they all wonder why I ve changed,

A

How many times must I explain,

E

B

E

It s basic honky tonk anatomy,

E

A

The drinkin bone s connected to the party bone,

E

B

The party bone s connected to the stayin out all night long,

E

A

She won t think it s funny and I ll wind up all alone,

E

B

E

And the lonely bone s connected to the drinkin bone,

E

Hey two plus two is always four,

A

And down is south and up is north,

E

B

Thirty-two degrees is freezin cold,

E

You play with fire you wind up burned,

A

The early bird gets the worm,

E

B

E

But the only thing you really need to know is,

E **A**
 The drinkin bone s connected to the party bone,
E **B**
 The party bone s connected to the stayin out all night long,
E **A**
 She won t think it s funny and I ll wind up all alone,
E **B** **E**
 And the lonely bone s connected to the drinkin bone,

lead chords

E A E B E A

E B E
 yea now sing it with me let s make sure you know,

E **A**
 The drinkin bone s connected to the party bone,
E **B**
 The party bone s connected to the stayin out all night long,
E **A**
 She won t think it s funny and I ll wind up all alone,
E **B**
 And the lonely bone s connected to the,

E **A**
