**G**

What you go and do

**D**

You go and give the boy a gun

**C**

Now there ain t no place to run to

**C**

**G**

Ain t no place to run

When he hold it in his hand

He feel mighty he feel strong

Now there ain t no place to run to

Ain t no place to run

One day he may come back

Repay us for what we done

Then where you gonna run to

Where you gonna run

**C**

But one fine day

**Em**

All our problems will be solved

Bang bang bang

**G D C C**

We ll shot him down

Give him drugs and give him candy

Anything to make him think he s happy

And he won t ever come for us

He won t ever come

But if he does

And if there s no on else around

Bang bang bang

We ll shoot him down

If he preys only on his neighbors  
Brothers sisters and friends  
We ll consider it a favor  
We ll consider justice done  
But if he comes for you or me  
And we can place a gun in his hand  
Bang bang bang  
We ll shoot him dead  
What you go and do  
You go and give the boy a gun  
Now there ain t no place to run to  
Ain t no place to run  
Now we ll all be at his mercy  
If he decides to hunt us down  
Cause there ain t no place to run to  
Ain t no place to run  
If he wants the chances that you took from him  
And nothing that you own  
Then there ll be no place to run  
There ll no place to run  
And if he finds himself to be  
A reflection of us all  
Bang bang bang  
He ll shoot us down  
Before you can raise your eyes to read  
The writing on the wall  
Bang bang bang  
He ll shoot us down  
Before you can bridge the gulf between  
And embrace him in your arms  
Bang bang bang  
He ll shoot you down
