

Don't Dwell

Tracy Chapman

C9+ **Dm**
Don t dwell on the past
F **G** **C9+** **Dm**
Of there was lost and didn t last
F **G** **C9+** **Dm**
 That summer bloom is fading fast
F **G** **C9+ Dm F G**
 But I m falling for you

Don t dwell on the pain
The tears you ve cried and autumn rain
That that weather is here and come again
But I m waiting for you

Don t dwell on the loss
Fools that were still breaking toss
That winter s heart will spear and double cross
But I m yearning for you

G **A** (TRANSIÇÃO)

Dm **E**
Don t dwell on the time
G **A** **Dm** **E G**
Seasons change and so does the clime
 A **Dm** **E G**
That old flame has cooled but I
But I m burning for you , yes?., oh?.
