Let It Rain
Tracy Chapman

```
          E9
Let it rain
       G                        D
As I walk these streets unknown
      D/C
To no one named
      G/B                    G
Not even myself
D/F#        Em7
When I m low
```

```
Give me hope
      D/F#
That help is coming
G        D/F# Em
When I need it most
Em7
Give me hope
      D/F#
That help is coming
G        D/F# Em
When I need it most
```

D D6 D D9 D
```
         E9
Let it go
   G                        D
No mother no father no home
    D/C
Forget as all others
G/B                      G
Have forgotten
D/F#         Em7
When I m alone
```

```
Give me hope
      D/F#
That help is coming
G        D/F# Em
When I need it most
Em7
Give me hope
```

```
      D/F#
That help is coming
G       D/F# Em
When I need it most

D D6 D D9 D
          E9
Let it come
          G
Love that lifts me up
          D
Pain that brings me down
D/C             G/B             G
Everything I d ever want and don t
     D/F#      Em7
When I m not strong

Give me hope
     D/F#
That help is coming
G       D/F# Em
When I need it most
Em7
Give me hope
     D/F#
That help is coming
G       D/F# Em
When I need it most

D D6 D D9 D
          E9
Let it rain
       G                        D
Let it flood these streets and wash me away
          D/C                 G/B
To where it makes no difference who I am
              G
Or what the future holds
     D/F#      Em7
When I don t know

Give me hope
     D/F#
That help is coming
G       D/F# Em
```

When I need it most
Em7
Give me hope
       D/F#
That help is coming
G   D/F# Em
When I need it most
