(repetir a introdução ao longo da musica)

Cm
There s a cloud, there s a cloud
A# C Cm
A blue sky darkening
Cm
That veils the light of the sun
A# C Cm
And foretells the rain
Cm
But there s a bird, there are birds
A# C Cm
And some are singing
Cm
To greet every new day that may come
A# C Cm
Like the first of spring

(intro)

Cm
It is cold, it is cold
A# C Cm
I ve had the feeling
Cm
At the heart and in the core
A# C Cm
The roots of all things
Cm
But there s a bud, there s a bulb
A# C Cm
It will be glooming
Cm
To greet every new day that may come
A# C Cm
Like the first of spring

(Cm)
A# C Cm
Spring
(Cm)
A# C Cm
Spring

Cm
It is late, it is late
A# C Cm
As I watch waiting
Cm
It will go, come turn away
A# C Cm
The cycle cycling
Cm
There s a face with new eyes
A# C Cm
A baby crying
Cm
Who ll greet every new day that may come
A# C Cm
Like the first of spring

(Cm)
A# C Cm
Like the first of spring
(Cm)
A# C Cm
Like the first of spring
(Cm)
A# C Cm
Like the first of spring
