G - 320033
F#- 200033
Bm- x20033
CM7- x32033
Am- x02210
Asus4-x02200
C- x32010
Em- 022000

Listen to the track for the strumming pattern.

Intro : **G-F#-Bm-CM7** (ends with two downstrum of CM7s)

G **F#**
Welcome to a new beginning

Bm **CM7** **G**
Welcome to a brand new side of me

F# **Bm** **CM7** (ends with two downstrums)
This will be the life I m meant to lead

G **F#** **CM7**
More than just a midlife crisis

C **G**
This will be a lighthouse in my soul

F# **Bm** **CM7**
Taking me to what the future holds

Prechorus:

Em **Em-c** **Am---**
I am not confined to steady ground

Asus4
For fear of falling,

Em **C**

I will fly

Chorus:

G **F#**
So I will live my life
Bm **CM7**
Knowing I ve got just one chance to make it right
G **F#** **Bm**
Hope will be on my side this time
CM7
To live what I am dreaming of

(intro)
yeah yeah.

(pause)
Tear away my fall back option

Bm **CM7** **G**
Take away the safety net below
F# **Bm** **CM7**
I m taking my chances as I go

G **F#** **Bm**
Life is more than just survival
C **G**
Love will be the thing that sets me free
F# **Bm** **CM7**
Just a little faith is all I need

Prechorus:

Em **Em-C** **Am---**
I am not inclined to give up now

Asus4

The sky is calling,

Em **C**
I will fly

(repeat chorus pattern)
So I will live my life
Knowing I ve got just one chance to make it right
Hope will be on my side this time
And I will spend my days
Knowing that the love I give won t go away
I will not stand and wait for life to come
I will live what I am dreaming of

Bridge:

Em **C** **Am** **Asus4**
I will not let failure hold me down
Em **C** **Am** **Asus4**
I am not afraid of learning from what comes around

(chorus)

This chord guide exists because of its sole purpose - to make a very special girl happy.

Happy Birthday Meme! =)
