Lyrics:

Once again I m northward bound, on the edge of sea and sky
Tomorrow is my friend, my one and only friend
We travel on together searching for the end

I m a traveling soul and every mother s son
Although I m getting tired I ve got to travel on
Can you please help, my god? Can you please help, my god?
Can you please help, my god? I think it s only fair

Once again I m northward bound, on the edge of sea and sky
Together we will go and see what waits for us
A backdoor to the universe that opens doors
