E

Underneath these lifelong

C#m

Things that were right till they went wrong

A

E B

When misunderstood stood in my way.

E

C#m

Now down in the heart of a matter-of-fact

A

There s a place I remember and I wanna go back

E B

Where I stop getting even and started to change.

E B

All I want is you to see me

E

Here I am

You still know me

A

Here I am

Take another look

E

Here I am

A B

Same old story in a brand new book

E

If second chances were dances

C#m

You know I would have two left feet

A

E B

But at least I d have a front row seat to love

E

C#m

And so I ve been turning it upside down

A

Shaking it up and shaking it out

And now I m running for you

Instead of running from me

E B

All I want is you to see me

E

Here I am

New as morning

A

Here I am

Just like the sun

E

Here I am

Without warning

A B

I m the one for you

E

Here I am

You still know me

A

Here I am

Take another look

E

Here I am

A B

Same old story in a brand new book

E

And now I get set of second chances to turn

A

C#m

The pages of the lessons of the love that I ve learned

Was true, now all I m missing is you

E B

All I want is you to see me
