took her by the hand in the golden state  
now that your mine things are gonna be fine

**Bb - G#-Eb**

first came love then a baby carriage  
hardly knew the people at my own damn marriage  
but an open bar can open your mind

**Gm - Eb-F (3x)**

you save my life with every word you say  
you shine your light for me to find my way  
just hold me tight and cross your heart to stay

**Eb - F -Bb**

born to be  
every part of you in Half Moon Bay

**Bb - G#-Eb**

Up in Tiburon where the girls are warm  
we stay inside while the rain clouds form, yeah  
thank god for rainy days like these

**Bb - G#-Eb**

and just when the time has come to retire  
the baby starts crying so we dance by the fire  
always does the trick, you better believe

**G - Eb-F (3x)**

you save my life with every word you say  
you shine your light for me to find my way  
just hold me tight and cross your heart to stay

**Eb - F**

here with me

born to be  
every part of you

**F - Eb - Bb (2x)**

we don t know until the stars are ready  
why say no when yes feels right  
you just gotta go with what you feel like, oh
