

**Sing Together**  
**Train**

**G**                 **D**  
If I go before I say  
                              **Em**  
To everyone in my ballet  
                              **C**  
Let me take this chance  
                              **G**  
To thank you for the dance

**D**  
If I run out of songs to sing  
                              **Em**  
To take your mind off everything  
                              **C**                         **D**  
Just smile, see the wild with the  
**Am**  
Sun on your face and  
**B7**                                 **Em**                                 **A**  
Remember the place we met, take a breath and soon  
                              **Am**  
I bet youâ€™ll see

Without you I would never be me  
**Am7b5**   **D7 D7sus4 D7**  
You are the leaves of my family tree

**G**    **D**   **Em**   **C**  
Sing together  
**G**   **D**  
If you knew me from the very start  
                              **Em**   **C**  
Or we met last week at the grocery mart  
                              **G**    **D**   **B7**   **Em**  
Just sing together  
                              **Am**   **D**  
Itâ€™s the least that I can do, my final gift to you

**G D Em C (x2)**   **G D B7 Em**   **Am D**  
oooh (x2)           oooh           oooh

**G**                                 **D**  
When I pass the pearly gate  
                              **Em**  
I will find some real estate  
                              **C**  
Where we can settle down  
                              **G**

And watch the world go round

**D**

Weâ€™ll send down all the love we got

**Em**

And let them know weâ€™ve got a spot

**C D7**

For them to be, and itâ€™s so free

**Am**

The sun on your face, and

**B7 Em A**

Remember the place we met, take a breath and soon

**Am**

I bet youâ€™ll see

Without you I would never be me

**Am7b5 D7 D7sus4 D7**

You are the leaves of my family tree

**G D Em C**

Sing together

**G D**

If you knew me from the very start

**Em C**

Or not at all, youâ€™re still a part,

**G D B7 Em**

Just sing together

**Am**

Itâ€™s the least that I can do

**D**

My final gift to you

**G D Em C (x2) G D B7 Em Am D**

oooh (x2) oooh oooh
