

To Be Loved
Train

A9 B9
Finally met Virginia on a slow summer night
F#m D

Thought I should forgive ya so I came back
A9

You re a sight for sore eyes
B9

Right for those lies
F#m D

They save me after all

A9 B9
Right from the beginning we were wrong I found
F#m D

But no one did it better baby pound to pound

A B9
Those heavy weights fights were right for me
F#m D

To learn how to see the light clearly

D E
And it s the light I see in you

A B9 F#m D
No, don't go I'll show you what it's like to be loved

A B9 F#m D
No, don't go I'll show you what it's like to be loved

A B9 F#m D
Ba-da-da-da-da-da-da-da what it's like to be loved

A B9 F#m D
Ba-da-da-da-da-da-da-da what it's like to be loved

A B9
Now that things are better for me I can laugh
F#m D

At all your other lovers when you do the math
A B9

Does it make you feel sad, make you feel small?
F#m D

Thank God it ain t about me anymore

A B9
I m not coming back for round two
F#m D
I just want to love you like a friend would do
A B9

You weren't wrong for the feelings you had

F#m D

But the man I was isn't coming back

D E

So stay, it's OK

(Refrão)

F#m C#m D A (E)

When you say it's over I lost my head

F#m C#m D D

And now that we're older I'm giving up on being right

D A

So I can see the other side again

A B9 F#m D

No, don't go I'll show you what it's like to be loved

A B9 F#m D

No, don't go I'll show you what it's like to be loved

A B9 F#m D

Ba-da-da-da-da-da-da-da what it's like to be loved
