Train**

intro: **F# A#m D#m B F# C#**

[Verse 1]

F#

This bipolar love affair

A#m **D#m**
It just ain't where it's at for me anymore

B **F#**
So don't let the door hit you when you leave

F#

You throw me in the fire just to save my life

A#m
A pretty little liar

D#m
When I call you out you'd rather put up
B **F#**
a fight than just come clean

[Chorus]

F#

Get on your way to making someone else feel low

A#m
Then higher than they ever thought they could go

D#m **B** **F#**

You already know

F# **A#m**
I'm giving you up, you're letting me down

Stop pretending that you're gonna turn yourself around

D#m **B** **F#**

You already know, know, know

A#m
You already know, know, know, know

D#m **B** **F#**

Don't ask me why you already know

[Verse 2]

I was the shoulder you leaned on
You made me feel like the next James Bond
Double O seven oh hell, you were heaven to me

But while you were saying what I wanted to hear
You started breaking ground on a new frontier

Always making love but never to me

[Chorus repeated]

F# **G#m**
You already know that I m done waiting
C# **B** **G#m**
Going crazy hating myself for loving you
Fm **C#m** **F#**
At least the one side of you I thought I knew

F# A#m

D#m **B** **F#**
You already know

You already know, know, know, know
A#m

You already know, know, know, know
D#m **B** **A#m** **D#m** **B** **F#**
