

Leaving To New York  
Traitors Shoot South

I m gonna walk down the street  
Singing on the sidewalks, yeah, they gave the beat to my heart,  
To my heart

I m gonna hide of the snaps  
Iâ€™ll be careful enough not to fall on such cracks

So here I am  
Leaving to New York  
Hello Uncle Sam  
Goodbye, you dork

I m gonna wave hello to the people I meet  
The city seems much smaller when you travel by the side of the street  
Of the street

Iâ€™m gonna sing near the subway door  
And when people laugh, Iâ€™ll sing it like before

So here I am  
Leaving to New York  
Hello Uncle Sam  
Goodbye, you dork

Iâ€™ll wear my All Stars, singing with my guitar  
I ll search my fame and even change my name  
Em (hold)

I ll keep walking
