I can love you baby  
**G** **D**  
Like you need me to  
**G** **Bm**  
You ll give up on me  
**A**  
I ll give up on you  
**G** **D**  
In the lines and the shadows  
**G** **D**  
Where my fear resides  
**G** **Bm**  
I can t go out that door  
**A**  
It s so warm inside

--Solo section in **Bm**--

**G** **D**  
We can lie like sinners  
**G** **D**  
Breathe the air like children  
**G** **Bm**  
You could lead and I could follow  
**A**  
All those times are gone  
**G** **D**  
Still I love the quiet  
**G** **D**  
Of Duluth in the winter

In the sacred bond
