

Life Is Good On The Open Road  
Trampled by Turtles

[Intro]

F Am G C 2x

[Verse 1]

F Am G C  
Lyin fever, a hidden moon  
F Am G C  
Restless wind and a callin loon  
G C F  
Dying fast like the highest noon  
C Em C Em  
Well I never learn from nothing

[Verse 2]

F Am G C  
Feather falls the river light  
F Am G C  
The warm and shaking summer night  
G C F  
I have two friends but one is right  
C Em C Em  
And he s older now than ever

[Bridge]

G C  
Run so fast through the fields in May  
G C  
And I forgot what I had to say  
G C F  
I ve never been through a harder day  
F G C  
Than the one that left your ghost here

[Instrumental]

F Am G C 4x  
C G C

[Verse 3]

**F**            **Am**            **G**            **C**

Life is good on the open road

**F**            **Am**                    **G**                    **C**

We re closer now than we ll ever know

**G**                    **C**                                    **F**

The light inside you comes and goes

**C**            **Em**                                    **C**

But it never really goes out

[Outro]

**F**    **Am**    **G**    **C**    4x
