Intro: **G**

C **G**
why don t you help me, and I ll help you
C **D**
you find a window and i ll see it through
C **G**
its all around, I hear it calling,
C **D** **G**
even though i m just a man.
C **G**
stars are quiet but your on the phone.
C **D**
I m singing thoughts babe, leave me alone.
C **G**
I hear your voice now, like a razor blade
C **D** **G**
and the books come off the wall

Chorus:

C **G** **D** **C**
turn on your light babe, its as dark as a cave
C **D** **G**
and we all got some time to think it ov-er

C **G** **C** **D** **C** **G** **C** **D** **G**

C **G**
up on the hilltop, their drinkin blood,
C **D**
down in the ghetto their on the run,
C **G**
up on the mountain, to the everglades,
C **D** **G**
all the angels have lost their wings

C **G** **D** **C**
turn on your light babe, its as dark as a cave
 C **D G**
and we all got some time to think it ov-er

bridge:

C **G** **C** **D** **C** **G** **C** **D** **G**

C **G**
our faded memories of another world,
 C **D**
 captured and broken, Laid in the grave
 C **G**
we got wisdom, we got painted souls,
 C **D** **G**
I wouldn t go back if it meant my life

C **G** **D** **C**
turn on your light babe, its as dark as a cave
 C **D G**
and we all got some time to think it ov-er

C **G**
oh give me love now, til I fall down,
 C **G**
 burnin destruction is all around
 C **D**
but on a sunday mornin I can see the sunrise
 C **D** **G**
 fallin down on this broken world

mandolin solo here. play verses appropriate number of times:

C **G** **C** **D** **C** **G** **C** **D** **G**

C **G** **D** **C**
turn on your light babe, its dark as a cave

and we all got some time, yeah we all got some time
 (mute) **C** **D G**
baby we all need some time to think it ov-er

end on **G**
