A#m **F#**
I know its not your fault, but I m a locked door
C# **F**
Anytime I m a mess by someone before
A#m **F#**
And I wish that I, I could find a key
C# **G#**
To unlock all the things that you want us to be

F# **C#** **F**
Let me open up and start again,
F
But there s a safe around my heart
F# **C#** **G#**
I don t know how to let you in,
G#
And that s what keeps us apart

A#m **F#**
And that s why I need time.
D#m **G#m**
I said I need you
A#m **F#** **D#m** **G#**
I need you, you understand, you, you, you
A#m **F#m** **C#** **F**
I need you, you understand, you, you, you

Call up the locksmith,
Tell him we need him quick
We ve got a million keys,?
None of them seem to fit
While your on the phone,
call up the clocksmith,
Cuz I could use some time,
Even the slightest bit

Let me open up and start again,
And break this safe around my heart
I don t know how to let you in,
And that s what keeps us apart

And that s why I need time
I said I need you
I need you to understand, you, you, you

I need you to understand
