Travie McCoy

(intro) **Bm G D F#**
Bm G D A

Bm **G**
I know its not your fault, but I m a locked door
D **F#**
Anytime I m a mess by someone before
Bm **G**
And I wish that I, I could find a key
D **A**
To unlock all the things that you want us to be

G **D** **F#**
Let me open up and start again,
F#
But there s a safe around my heart
G **D** **A**
I don t know how to let you in,
A
And that s what keeps us apart

Bm **G**
And that s why I need time.
Em **Am**
I said I need you
Bm **G** **Em** **A**
I need you, you understand, you, you, you
Bm **Gm** **D** **F#**
I need you, you understand, you, you, you

Call up the locksmith,
Tell him we need him quick
We ve got a million keys,?
None of them seem to fit
While your on the phone,
call up the clocksmith,
Cuz I could use some time,
Even the slightest bit

Let me open up and start again,
And break this safe around my heart
I don t know how to let you in,
And that s what keeps us apart

And that s why I need time
I said I need you
I need you to understand, you, you, you

I need you to understand
