**G#m** **E**  
I know its not your fault, but I m a locked door  
**B** **Eb**  
Anytime I m a mess by someone before  
**G#m** **E**  
And I wish that I, I could find a key  
**B** **F#**  
To unlock all the things that you want us to be

**E** **B** **Eb**  
Let me open up and start again,  
**Eb**  
But there s a safe around my heart  
**E** **B** **F#**  
I don t know how to let you in,  
**F#**  
And that s what keeps us apart

**G#m** **E**  
And that s why I need time.  
**C#m** **F#m**  
I said I need you  
**G#m** **E** **C#m** **F#**  
I need you, you understand, you, you, you  
**G#m** **Em** **B** **Eb**  
I need you, you understand, you, you, you

Call up the locksmith,  
Tell him we need him quick  
We ve got a million keys,?  
None of them seem to fit  
While your on the phone,  
call up the clocksmith,  
Cuz I could use some time,  
Even the slightest bit

Let me open up and start again,  
And break this safe around my heart  
I don t know how to let you in,  
And that s what keeps us apart

And that s why I need time  
I said I need you  
I need you to understand, you, you, you

I need you to understand

**C#m**
