

Jack And Coke
Travis Denning

I can only find two versions of this song anywhere. There were no lyrics or pre existing versions of this tab that I could find. Feel free to make any suggestions as I m sure I ve missed a few things or may be wrong about a chord or two. Link to the video I used is in the description.

[Intro]
(Variation on G & C chords)

G C

[Verse 1]

G

He sees a blue eyed dream from across the room

C

Looking back over his way

G

Changes his drink from one to two

C

Trying to think of something to say

Em

Deep breath, here it goes

D

Itâ€™s a story everybody knows

[Chorus]

G

Jack meets Jill one late Friday night

In a hole in the wall low lit kind of dive

C

Jack asks Jill if she wants to dance

Half buzzed kiss comes after that

Em

Two runners find love fall right in

D

Give it all they got but in the end

C

Jack holds on, and Jill lets go

G C G C

Now itâ€™s just, Jack and Coke

[Verse 2]

G

That 90 proof black label glass bottle pour

Is sitting where she should be

C

But no matter how many he throws down

Canâ€™t drown that memory

[Chorus]

G

Jack meets Jill one late Friday night

In a hole in the wall low lit kind of dive

C

Jack asks Jill if she wants to dance

Half buzzed kiss comes after that

Em

Two runners find love fall right in

D

Give it all they got but in the end

C

Jack holds on, and Jill lets go

Em

Now itâ€™s just, Jack and Coke

[Bridge]

D

Over ice

C

Heâ€™ll keep em coming, he wonâ€™t think twice

About stopping, till heâ€™s forgotten

[Chorus]

G

Jack meets Jill one late Friday night

In a hole in the wall low lit kind of dive

C

Jack asks Jill if she wants to dance

Half buzzed kiss comes after that

Em

Two runners find love fall right in

D

Give it all they got but in the end

C

Jack holds on, and Jill lets go

G C G C

Now itâ€™s just, Jack and Coke

G C G C

Now itâ€™s just, Jack and Coke

[Outro]

G

That 90 proof black label glass bottle pour

Is sitting where she should be
