

Didnt Stand A Chance
Travis Garland

[Verse 1]

E

Youve been hiding it all for so long.

Dbm

They cant see theres a war going on.

F#m

Because what you think of me conflicts what you feel for me.

B

Baby its hard. I know.

E

Ive been trying to stay on the low.

Dbm

Just to let you figure it out on your own.

F#m

Your feelings are clear

B

but all your friends in your ear keep saying that Iâ€™m no good

For you.

[Bridge]

Dbm

F#m

Youre so perfect to me

B

E

Nothings changed the way I feel at all

A

F#m

If I stay down, Youll come around.

B

B7

Eventually, ooh oo woah

[Chorus]

E

Dbm

Used to say..It was only a matter of time

F#m

for your heart matters more than your mind.

B

You try to fight it, and I dont know why.

You didnt stand a chance.

E

Dbm

Im convinced from the moment I tasted your lips.

F#m

All I needed is just one kiss

B

You tried to fight it, but I knew right then.

E

You didnt stand a chance at all.

[Verse 2]

Showed you

E

All of the cards in my hand

Dbm

So youd know exactly where I stand.

F#m

And Youre like a glass right at the edge of the table.

B

Just waiting to fall, fall, fall.

[Bridge]

Dbm

F#m

Girl youre perfect to me

B

E

Nothings changed the way I feel at all.

A

F#m

If I stay down, Youll come around.

B

B7

Eventually

[Chorus]

E

Dbm

Used to say..It was only a matter of time

F#m

for your heart matters more than your mind.

B

You try to fight it, and I dont know why.

You didnt stand a chance.

E

Dbm

Im convinced from the moment I tasted your lips.

F#m

All I needed is just one kiss

B

You tried to fight it, but I knew right then.

E

You didnt stand a chance at all.

[Chorus]

E

Dbm

Used to say..It was only a matter of time

F#m

fore your heart matters more than your mind.

You try to fight it, and I dont know why.

B

You didnt stand a chance.

E

Dbm

Im convinced from the moment I tasted your lips.

F#m

All I needed is just one kiss

B

You tried to fight it, but I knew right then.

E

You didnt stand a chance at all.
