[Intro]

Em G D

[Verse]

C Em
We still chase dead presidents

Em D
I tried to get some sleep on the flight
Em D
But then this thought, it crawled in my mind
Em G
It s ironic that Obama s alive

C7
But we still chase dead presidents
Em D
A businessman that can t find the time
Em D
Forgets to call his daughter at night
Em G
Ironie we can all run from life
C7 Em D
But we still chase dead presidents

G
Oh, no matter what we do, we do

G
Oh, no matter what we do, we do

Em
We still chase dead
Em C G
We still chase dead presidents

Em D
These magazines, they blind and they lie
Em D
While politicians plan in the night
Em G
Ironie that they say
