

Country Club
Travis Tritt

[Verse]

D
I took a double take out on the interstate
G **D**
When I saw her makin' eyes at me

So I followed her down - the clubhouse drive
E7 **A7**
Past the pool on the 18th green
D
In the parkin' lot - I said it's mighty hot
G **D**
Maybe I could buy you a beer
G **D**
She said I'm glad you asked - but I'll have to pass
A7 **D**
Cause only members are allowed in here...and I said

[Chorus]

D **G**
Well I'm a member of a country club
D
Country music is what I love
A7
I drive an old Ford pick-up truck
D
I do my drink-in from a dixie cup
G
Yea I'm a bona-fide dancin' fool
D
I shoot a mighty mean game of pool
A7
At any honky-tonk roadside pub
D
I'm a member of a country club

[Verse]

D
You look so invitin' - thought it might be excitin'
G **D**
For a woman with a limousine

To go rid-in around - in a beat up truck
E7 **A7**
With a man - in wore out jeans
D
You know it's five o'clock before Friday night

G **D**
This is where the fun begins
G **D**
Don t worry bout your reputation
A7 **D**
Cause you can tell all your friends

[Chorus]

D **G**
Well I m a member of a country club
D
Country music is what I love
A7
I drive an old Ford pick-up truck
D
I do my drink-in from a dixie cup
G
Yea I m a bona-fide dancin fool
D
I shoot a mighty mean game of pool
A7
At any honky-tonk roadside pub
D
I m a member of a country club
