But I guess I must have missed it by a mile.

What have I got to do to make it better?

What have I got to do to make you see,
Am7 C(HOLD)
that even though I promised you forever,
Am7 D(HOLD)
I never know how hard that would be?

G **C/G(HOLD)**
I realized I took your love for granted,
G **C**
But I've learned that love worth having don't come free.
G/B **C**
And I'll pay any price it takes to keep you,
Am7 **D**
satisfied and staying here with me.

D **G** **C**
Help me hold on.....to what we had.
C **Am7** **D** **G**
Once our love was strong.....it can be again.

You said it takes two.....to make love last.
C **G/B** **Am7** **D** **G**
You were right all along.....so help me hold on.
