Travis Tritt - Love of A Woman
Standard Tuning

Verses:

G **Em** **C** **D**
My baby knows me better than I do

G **D** **C** **G**
Funny how a woman has that over a man

G **Em** **C** **D**
I can do anything with her here beside me

G **D** **C** **G**
Leaning on her is where I make my stand

CHORUS:

G **Em** **C** **D**
And where would we be without the love of a woman

G **D** **C** **G**
Standing behind her man even when he s wrong

G **Em** **C** **D**
The truth, pure, undying love of a woman

G **D** **C** **G**
Makes a man a fool to thing he can make it alone
