Standard Tuned

This is my first song and i think i did a pretty good job at it.
Listen to the song for the rythyms and timing. It s a good song to

I know living with me ain t always easy,

   C#   **G#**
I dam up emotions some men just let flow,

 G#   **C#**   **Fm**   **Bbm**
But girl when your not by my side, I feel a part of me has died,

G#   **Eb**   **G#**
Cause I love you more than you ll ever know,

     C#   **Eb**   **G#**
More than life, more than I ever loved before,

   C#   **Eb**   **G#**
It s absurd and beyond words I couldn t want you more,

       Fm
And when I try to pull my heart out to you,

 C#   **C#m**   **G#**   **Eb**   **G#**
I m not sure it shows that I love you more than you ll ever know,

Unless someday they open wide revealing feelings left inside,

   G#   **Eb**   **G#**
I ll love you more than you ll ever know,
