Slowing Down  
Written by Paul Overstreet  
Recorded by Travis Tritt

(Capo on 1)

[Intro]  
D x 4 bars

**D**                      **C**                      **D**  
Here comes your tattoos slowly fading  
**C**                      **G/B**                      **A**  
The breaks upon your heart are leaving scars  
**D**                      **C**                      **D**  
The battles for your freedom youâ€™ve been winning  
**C**                      **A**                      **D**  
They bought you time but theyâ€™re costing you the war

[Chorus]

**Bm**                      **G**                      **D**  
Slowing down, it donâ€™t come easy  
**F#m**                      **G**                      **D**  
When running hard beens flowing through your blood  
**G**                      **D**  
You said goodbye so many times, itâ€™s lost its meaning  
**Bm**                      **A**                      **G**  
And memories are all thatâ€™s left to love  
**Em**                      **G**                      **A**  
Oh, believe me, slowing down  
**D**  
It donâ€™t come easy

**D**                      **C**                      **D**  
The wasted years of love in motel rooms  
**C**                      **G/B**                      **A**  
Your boots under another strangers bed  
**D**                      **C**                      **D**  
Waking in the morning way too soon  
**C**                      **G/B**                      **D**  
Yeah, leaving you s as lonely as it gets

[Chorus]

**Bm**                      **G**                      **D**  
Slowing down, it donâ€™t come easy

**F#m** **G** **D**  
When running hard beens flowing through your blood  
**G** **D**  
You said goodbye so many times, itâ€™s lost its meaning  
**Bm** **A** **G**  
And memories are all thatâ€™s left to love  
**Em** **G** **A**  
Oh, believe me, slowing down  
**D**  
It donâ€™t come easy

[Bridge]

**Bm** **G** **D**  
You just canâ€™t stop the clock from turning back the time  
**Bm** **A** **G**  
But for her heart and soul, itâ€™s worth trying

[Chorus]

**Bm** **G** **D**  
Slowing down, it donâ€™t come easy  
**F#m** **G** **D**  
When running hard beens flowing through your blood  
**G** **D**  
You said goodbye so many times, itâ€™s lost its meaning  
**Bm** **A** **G**  
And memories are all thatâ€™s left to love  
**Em** **G** **A**  
Oh, believe me, slowing down  
**D**  
It donâ€™t come easy

**Em** **G**  
Oh, believe me, slowing down  
**Em** **G** **A**  
Oh, believe me, slowing Down  
**D**  
It donâ€™t come easy
