**C**

I m a little boy

**F**

In the world today

Trying to live his life

In a grown up way

Sometimes I get so scared  
That I can hardly move  
But I m a little boy  
With a lot to prove

Somedays go by so fast  
Sometimes I wonder

**C**

**F**

How long will this young boy last?

Verse:

Now I m an ancient train  
Going down the track  
I always make my way  
Never turning back

Because my wheels are old  
Sometimes I ride real slow  
But I m an ancient train  
With a place to go

Chorus:

I used to ride so fast  
Sometimes I wonder  
How long will this old train last?

Solo: (over verse chords)

Final Chorus:

Sometimes the song goes fast

Sometimes I wonder

How long will this old song last?
