The anniversary

(The rest is the same)
You were walking next to me
Clutching a diary
Trying to be heard
Without a single word
I knew you would leave soon
When he walked in the room
I still remember you this way
On the anniversary
The anniversary

You were lying next to me
Breathing quietly
Looking very pale
I think you lost a nail
And somewhere in your eyes
You finally realize
I will remember you this way
On the anniversary
The anniversary

Hope u enjoy it, Saman
