 I

Verse 1: G

look around for faces I know

C D
I never ever want to go home

C D
My friends are in bed, but I m best on my own

G
I m terrified of driving a car

C D

Afraid I m afraid of the dark

C D Em

It happened before in a different bar and I know

Em9/F# G C D

It s late but won t you take me home

Chorus 1:

G D

I must of thought of getting out now

C D Em

But how am I gonna get out

E C

When even the names stay the same

D

Just the faces change

Verse 2:

G

It s easier to stare at the sun

C D

Than look at all the things that you ve done

C D Em

Intentions were good but then so was the fun and you know

Em9/F# G C D

It s wrong and can t go on for long

Chorus 2:

G D

I must of thought of getting out now

C D Em

But how you gonna get out

E C

When even the names stay the same

D C

Just the faces change

D

Just the faces change
