

Long Way Down
Travis

Intro 2x: **Bm F# E**

Verso:

Bm F# E
Its a long way down above the two tone town
E
And its not funny when you re stuck in the middle

Bm F# E
Im coming up for air, i could be anywhere
E
It makes no difference when you live in a puddle

Refrão:

G D
Now that i see you, how can i breath?

A F#
When my hearts in my mouth, and not on my sleeve

G D A
Better run little rabbit, back to your hole in the ground

F# G F# E
Its a long way down its a long way down

Verso 2:

Bm F# E
The people look so small, sliding off the wall
E
Getting dizzy as the fall in the gutter

Bm F# E
I watch the seagull swooping past the steeple
E
Crying for his dinner as he shits on the sinners

Ponte:

G D A F# G D A
Mama, and eye for and eye, you said you d never pick a side

G D A F# G
Papa im too young to die, you ll never take, you re never taking me alive
