

Mid-Life Krysis Travis

hello, here is another great song from the new album 12 memories.
I m not 100% percent sure of the bridge but i think it sounds close enough.
i don t know the name of the chord that is used in the song so i called it C*
maybe his real name is C#add9 or something like that.

Tabbed by Evgeny Mogiliansky.
Enjoy!!!

Intro: C C* C X3

Verse:

C C* C

Memories fill your harbor
History to be made
Jealousy in the cupboard
You with me until the grave

Chorus:

Am F C
Mid-life krysis, you invited everyone
Am C F
You can t wake, you can t wake from this nightmare

Verse:

Everyday is like the movies
Third world war on the rise
Take it in the city
Making love to get high

Chorus:

Mid-life krysis, you invited everyone
You can t wake, you can t wake from this nightmare
