

Moving
Travis

G **Em**
Another day I feel the weight of the atmosphere s pressure
C
And I can t escape
D
I try to run, I try to find my feet
C
My soul is sticking to the street

G
I get a move
Em
I got to get myself to clean my shoes
C
And take the cynic route
D
I was afar, I m following the star
C
Home is anywhere you are

G **D** **C**
And everything is falling into place
D **Em** **C**
And then we move again
G **D**
So take the curve and move along
C **D** **Em** **C**
Until we re gone, we re moving on
G
And on, and on, and on
And on, and on, and on
And on, and on, and on

G **Em**
I feel alive, I am aware of the colors in the sky
C
And where the birds don t fly
D
And if the night is coming pretty soon
C
I m walking through the dark with you

G
I ve got to play
Em
I ve got to listen to my toy today
C

On the motorway

D

And I could feel, the ground beneath my wheels

C

Putting me back in my place

G

D

C

And everything is falling into place

And on, and on, and on

And on, and on, and on

Em

And on, and on, and on

C

And on, and on, and on

D

And on, and on, and on

And on, and on

G

Em

Another day, another place where I can find my way

C

Take the avenue way

D

And I know exactly where to go

C

Home is anywhere you stay

G

D

C

And everything is falling into place

D

Em

C

And then we move again

G

D

So take the curve and move along
