

Paperclips

Travis

hi.

Well, I couldn't tab the dog whimps but I did my best on the guitar parts.

this song is played on higher key, I think the correct one is with capo on 7th.

Tabbed by Evgeny Mogiliansky.

Enjoy!!!

Travis "Paperclips"

Verse:

Em **Am**
Paperclips, melody
Em **Am**
Hold together all these memories
Em
Memories
Am
Memories
Em **Am**
I don't wanna think at all

Chorus:

Em **C** **G** **B7**
I don't wanna be like you anymore
I don't wanna see your face at my door
And I'll never leave like you, that's for sure
I don't wanna be like you anymore, anymore, anymore

Verse:

Take a trip, down memory lane
You will never wanna go again
Take your leave
Take your leave
I don't wanna sing at all

Repeat Chorus:

Bridge:

Em **C** **Em** **C**
Ever talk, decide out
Em **C** **Em** **C**
We get by, we'll get by
G **B7**
And I won't take this

Em C

No more sadness, no, no

Verse:

Paperclips, memories

Hold together all these melodies

Melodies

Melodies

I don't want to sing at all

Repeat Chorus:

peace the f*** out!!!
