

## Paperclips

Travis

hi.

Well, I couldn't tab the dog whimps but I did my best on the guitar parts.  
this song is played on higher key, I think the correct one is with capo on 7th.

Tabbed by Evgeny Mogiliansky.

Enjoy!!!

Travis " Paperclips

Verse:

**Em** **Am**  
Paperclips, melody  
**Em** **Am**  
Hold together all these memories  
**Em**  
Memories  
**Am**  
Memories  
**Em** **Am**  
I don't wanna think at all

Chorus:

**Em** **C** **G** **B7**  
I don't wanna be like you anymore  
I don't wanna see your face at my door  
And I'll never leave like you, that's for sure  
I don't wanna be like you anymore, anymore, anymore

Verse:

Take a trip, down memory lane  
You will never wanna go again  
Take your leave  
Take your leave  
I don't wanna sing at all

Repeat Chorus:

Bridge:

**Em** **C** **Em** **C**  
Ever talk, decide out  
**Em** **C** **Em** **C**  
We get by, we'll get by  
**G** **B7**  
And I won't take this

**Em**                    **C**

No more sadness, no, no

Verse:

Paperclips, memories

Hold together all these melodies

Melodies

Melodies

I don t want to sing at all

Repeat Chorus:

peace the f\*\*\* out!!!
