

Paperclips

Travis

hi.

Well, I couldn't tab the dog whimps but I did my best on the guitar parts.
this song is played on higher key, I think the correct one is with capo on 7th.

Tabbed by Evgeny Mogiliansky.

Enjoy!!!

Travis " Paperclips

Verse:

Em **Am**

Paperclips, melody

Em **Am**

Hold together all these memories

Em

Memories

Am

Memories

Em **Am**

I don't wanna think at all

Chorus:

Em **C** **G** **B7**

I don't wanna be like you anymore

I don't wanna see your face at my door

And I'll never leave like you, that's for sure

I don't wanna be like you anymore, anymore, anymore

Verse:

Take a trip, down memory lane

You will never wanna go again

Take your leave

Take your leave

I don't wanna sing at all

Repeat Chorus:

Bridge:

Em **C** **Em** **C**

Ever talk, decide out

Em **C** **Em** **C**

We get by, we'll get by

G **B7**

And I won't take this

Em **C**

No more sadness, no, no

Verse:

Paperclips, memories

Hold together all these melodies

Melodies

Melodies

I don t want to sing at all

Repeat Chorus:

peace the f*** out!!!
