

Paperclips

Travis

hi.

Well, I couldn't tab the dog whimps but I did my best on the guitar parts.
this song is played on higher key, I think the correct one is with capo on 7th.

Tabbed by Evgeny Mogiliansky.

Enjoy!!!

Travis " Paperclips

Verse:

Dm **Gm**
Paperclips, melody
Dm **Gm**
Hold together all these memories
Dm
Memories
Gm
Memories
Dm **Gm**
I don't wanna think at all

Chorus:

Dm **Bb** **F** **A7**
I don't wanna be like you anymore
I don't wanna see your face at my door
And I'll never leave like you, that's for sure
I don't wanna be like you anymore, anymore, anymore

Verse:

Take a trip, down memory lane
You will never wanna go again
Take your leave
Take your leave
I don't wanna sing at all

Repeat Chorus:

Bridge:

Dm **Bb** **Dm** **Bb**
Ever talk, decide out
Dm **Bb** **Dm** **Bb**
We get by, we'll get by
F **A7**
And I won't take this

Dm **Bb**

No more sadness, no, no

Verse:

Paperclips, memories

Hold together all these melodies

Melodies

Melodies

I don t want to sing at all

Repeat Chorus:

peace the f*** out!!!
