**G#** / / / **Cm** / /

         **G#**
all these monochrome days
            **Cm**
are making me blue
      **Bbm**
and it s on these days my mind strays
  **Bb**
to thoughts of you
     **Bbm**           **Eb**
do you think of me too?
  **Bbm**          **Eb**
I think me and you
           **G#**                                **C#**
are just like parallel parallel parallel parallel parallel lines
            **G#**                              **C#**
we re just parallel parallel parallel parallel parallel lines

         **G#**
a silver telephone rings
           **Cm**
a picture of you
        **Bbm**
and I m taken away from this humdrum day
   **Bb**
to someplace new
    **Bbm**           **Eb**
but I don t hear you
     **Bbm**           **Eb**
I ll never get through
        **G#**                            **C#**
just like parallel parallel parallel parallel parallel line
        **G#**                                **C#**

```
we re just parallel parallel parallel parallel parallel lines
          G#                Cm
just like parallel lines
             G#               Eb
yours will never meet mine

G#
ooooooh
        Cm
nah nah nah nah nah
G#
ooooooh
        Cm
nah nah nah nah nah
        C#          Eb
nah nah nah nah nah
        C#          Eb
nah nah nah nah nah

        (G#)                                      (C#)
just like parallel parallel parallel parallel parallel lines
     (G#)                                   (C#)
we are parallel parallel parallel parallel parallel lines
          G#                                C#
just like parallel parallel parallel parallel parallel lines
        G#                                 C#
we are parallel parallel parallel parallel parallel lines

G#                          C#
ahhhhhhhhhhhhhhhhhhhahhahhhhh

repeat and fade until end
```

I m not sure if this is all correct, please leave any suggestions or corrections. Thanks
