The Ballad Of J Smith Travis

And the broken television display

And I know you re hurting

But tonight I can pray

Intro: Em Em He watched the shadows On the walls of his room Em C (use your pinkie to tap on the third fret of first string) And the silence will speak too soon And he held her tightly So tight he could tell He knew the feeling so well Em He said Pretty baby will you marry me? She said You d look shit upon my family tree в7 And that s when he realised he d have to start again Em And just when you think you ve got it figured out They light seven candles and you re blowing them out в7 You know that you re going to have to light them all again You see her turning night into day

Cos you ve got to think for yourself D G Lie down everyone Em Close your eyes and look for the sun Even they don t know where it s gone C Reminiscing of days when you knew that you belong Em He said Pretty baby will you marry me? She said You d look shit upon my family tree Εm в7 And that s when he realised he d have to start again Em And just when you think you ve got it figured out They light seven candles and you re blowing them out в7 You know that you re going to have to light them all again
