

**Under The Moonlight**  
**Travis**

Intro: **G D Em C** (2x)  
**G D Em C** (2X)  
(Haa,aah)

**G D**  
Can you see the moonbeam?  
**Em C G**  
and the colors of the lights  
**D Em C**  
they re like flowers blooming in motion  
**G D**  
watching them fades  
**Em C (G D Em C)**  
The last fireworks of the night  
**G D**  
I begin to wake  
**Em C G**  
to relive this memory  
**D Em C**  
When the answer is clear and beyond belief  
**G D**  
there s a gift of love  
**Em C (G D)**  
that waits the final day  
**F**  
But tonight  
**D**  
Tonight

**Em G C Em**  
Under the moonlight with the one you love  
**Em G C Em**  
Under the big sky for the one you love  
**Am C**  
Riding under the moonlight with the one you love  
**Am C G (D Em C)**  
Going places together tonight..Haa,aaH

In the far distance

As the dream nears the end

And summer lovers pass the time

Holding on to what they can t keep

Into the horizon

Where the ocean meets the sky

So gather up your voice

Cause tonight s the night

Tonight

Stars light up the coastline

And we ll feel this way

For today

And for all time

under the moonlight with the one you love
