

What Will Come
Travis

Intro: **Bb C Am Bb** (x2)

verse 1

| | |
|---|--|
| F All the things you haven't seen | F Everything that lies between |
| C Pages you have yet to turn | Bb Lesson you will never learn |
| F All the things you should have said | F Glued forever in your head |
| C Just waiting for a reason | Bb Waiting for the real thing |

| | |
|---|---|
| Bb But I've got time and you've got time | C Remember when the stars aligned |
| Am And everything we did we did together | Bb |
| Bb And I don't mind if you don't mind | C And even if it all falls down |
| Am It's just another chance to make it better | Bb |

| | |
|--|-------------------------|
| F I'm ready | C I'm waiting |
| F I'm waiting for what will come | C |
| C | Bb |

verse 2

| | |
|---|---|
| F Cause it's you I like so don't be shy | F Just walk on up before you die |
| C But here we go again | Bb You say you're not my friend |
| F Then I'll be sad and you'll be mad | F And we'll forget the thing we had |
| C And blame it on the season | Bb Never on the reason |

| | |
|--|---|
| Bb But I've got time and you've got time | C Remember when the stars aligned |
| Am And everything we did we did together | Bb |
