

Where You Stand  
Travis

intro **Fmaj7 A# C Dm** x2

Verse

**Fmaj7 A#**  
Bumper car me left or right  
**C Dm**  
I'll take a thousand knocks  
**Fmaj7 A#**  
There's a happy man in there  
**C Dm**  
And you won't blink your eyes  
**Fmaj7 A#**  
Like all the things you lost before I  
**C Dm**  
Right where you left me you know-oh  
**Fmaj7 A#**  
Like all the things you found

Mmm mmm

**C Dm**  
Don't taste them just swallow them whole

**Dm A#**  
I forfeit my time  
**C Dm**  
And wait  
**Dm C**  
While you make up your mind  
**Fmaj7 Dm**  
So tell me  
**Dm A# C Dm**  
If you ever find your flag  
**Dm C Fmaj7 Dm**  
Cause I will be right by you where you stand
